COMMUNITY SERVICE PROJECT: The New Jersey State Library, the New Jersey Library Association and libraries throughout New Jersey are honoring the legacy of Abraham Lincoln, as part of the national Abraham Lincoln Bicentennial Commemoration, by collecting pennies. Lincoln believed in education, equality, opportunity and peace. To help continue his legacy, the State Library and NJLA are encouraging New Jersey libraries to participate in the Lincoln Pennies for Peace Campaign. All funds collected will be donated to **Pennies for Peace**, which collects funds for the Central Asia Institute co-founded by Greg Mortenson, the subject of the bestselling biography Three Cups of Tea: One Man's Mission to Promote Peace... One School At A Time. The money will be used to build school libraries in Pakistan and Afghanistan.
