## *The New Jersey Law Librarians Association*

Please join us at the Holiday Party for a festive celebration of our 20<sup>th</sup> anniversary as an AALL chapter. This special event will take place at the lovely Ballantine House of the Newark Museum. Vice-President/ President-Elect, James Duggan will be our honored guest.

The Ballantine House will be decorated for a traditional Victorian Christmas. During the first hour, guided tours will be offered and the gift shop will be open. Food and beverages will be available throughout the evening.

The Ballantine House was built in 1885 for Jeannette & John Holme Ballantine, of the famous Newark beer-brewing family. The house has been a part of the Newark Museum since 1937 and was designated a National Historic Landmark in 1985. (See insert for more information).
