**COMMUNITY SERVICE PROJECT:**

We will be collecting donations to support the efforts of the **Ronald McDonald House of New Brunswick**. The goal of the Ronald McDonald House is to provide a true “home away from home” for families of seriously ill children receiving care at medical facilities near New Brunswick. They offer Family Rooms and a Hospitality Suite in the pediatric units of four hospitals in Monmouth and Middlesex County. The Ronald McDonald House provides a welcoming, supportive environment for families during a time of uncertainty and stress. Family members can stay together in a comfortable home with private rooms and many amenities, helping them to remain strong throughout the course of their child’s treatment.
