

New Jersey Law Librarians Association 25th Anniversary & Meeting

Please join us as we mark our 25th Anniversary as an AALL Chapter. The special event at The Newark Museum features our honored guest lecturer, Robert C. Berring, Jr., the Walter Perry Johnson Professor at the University of California, Berkeley School of Law. Bob Berring has inspired law librarians through his many roles in the profession and as the author of highly regarded legal research textbooks.

The evening includes a dinner buffet and the opportunity to view the current special exhibit: *Angels & Tomboys: Girlhood in 19th Century American Art*.

We gratefully acknowledge our meeting sponsors for assisting us with this program:
