Dear Karen & Committee Members,

Thank you for your wonderful donation of 33 pairs of pajamas, 19 new books and \$25 to Pajama Program. Your generosity is helping us grow every year, and we would not be able to reach, comfort and love as many children without your kindness and compassion.

Now that we have met our One Million Good Nights goal, the bar is set higher so that we may be able to continuously gain momentum with our very long "Needs Pajamas & Books" wait list.

Pajama Program knows that a loving good night leads to better days for all children, no matter how dire their circumstances. That is why we promote a caring and supportive bedtime by giving at-risk children the magical gifts of warm, new pajamas and an enchanting storybook, letting them fall asleep with hope in their hearts for tomorrow. Because good nights become good days.

On behalf of the children served by the NJ Pajama Program, we thank you for caring.

Sincerely,

Denise Violand
New Jersey Chapter President
