Dear Karen,

Thank you for your donation of 35 pair of pajamas and 51 books to the Pajama Program. Your generosity is helping us grow every year, and we would not be able to reach, comfort and love as many children without your kindness and compassion.

This program provides more than just a new pair of pajamas and a new book. It tells children that someone cares. The need is growing and with donations such as yours it has enabled us to provided thousands of children with their own pajamas and books, and helped us continue in our mission to transform the bedtimes of children in need.

In 2016 alone, we provided 35,892 pajamas and 14,435 books to children in New Jersey. Pajama Program knows that a loving good night leads to better days for all children, no matter how dire their circumstances. That is why we promote a caring and supportive bedtime by giving at-risk children the magical gifts of warm, new pajamas and an enchanting storybook, letting them fall asleep with hope in their hearts for tomorrow - because good nights can then become good days.

On behalf of the children served by the NJ Pajama Program and your friend Janice Cuttingham, we thank you for caring.

Sincerely,

Denise Violand
