Dear Karen,

On behalf of the Board of Trustees and staff of the Ronald McDonald House of Central & Northern New Jersey, I would like to formally thank you and your colleagues for your generous donation of food items, target gift cards, checks, and cash. Know that you make life a little easier for families and children at our facility and we cannot thank you enough.

When families are suddenly faced with critical care emergencies, the first thing parents try to do is provide them with the best medical care possible, but children with life threatening conditions need more than good medical care. They need their parents close by for comfort and reassurance. Families travel great distances to bring their children to pediatric medical centers. The Ronald McDonald House provides a "home away from home" for these families for as long as their child is being treated. Every day of the year families are offered a warm comfortable room, access to a fully stocked kitchen, and a supportive environment.

Because of your generosity, the "House that Love Built" can continue to be a permanent source of strength for families coping with the crises of caring for a seriously ill child.
